OBJECTIVE

A highly motivated and technically skilled student with strong proficiency in Java, HTML, and CSS. Built hands-on projects in AI-based plagiarism detection and code documentation systems. Passionate about developing scalable applications and exploring emerging technologies. Seeking a challenging opportunity to apply my technical skills and contribute to innovative software solutions.

EDUCATIONAL INFORMATION

- B. Tech Information Technology, (2023-2027)
V.S.B College of Engineering Technical Campus (Affiliated with Anna University), Coimbatore. **87%**
- Higher Secondary Certificate (HSC) (2022-2023)
Sri Vidhya Nikethan Matric Higher Secondary School, Kangeyam , **83%**
Tiruppur District.

PROJECTS

- Code Documentation Generator with QR Code Security and Voice Output** – Generates structured code documentation with secure QR code access and provides voice output for easy understanding and accessibility.
- AI Based Code Plagiarism Detector Using (Java)** – AI based Java tool that detects code similarity and plagiarism ,even with changes ,and generates reports to ensures originality.

KEY SKILLS

- Programming Languages:** Java ,Hyper Text Markup Language, Cascading Style Sheets.
- Tools:** Visual Studio Code, Git, Github.
- Area of Interest:** Web development, Java Application development.
- Soft Skills:** Analytical Thinking, Event Leadership, Communication, Time management.

EXPERIENCE

Web Development Intern, Prodigy InfoTech(12/2025 – 01/2026)

- Enhanced practical knowledge of Html and Css and Improved problem-solving skills.
- Collaborated on project assignments to strengthen Html , Css and basic JavaScript skills.

Frontend Development Intern, The Saiket Systems (09/2025 – 10/2025)

- Applied modern design principles to develop user-friendly layouts
- Improved skills in Html, Css and basic JavaScript.

Java Development Intern, The Arttifai Tech (07/2025 – 08/2025)

- Built Java backend modules using OOP, exception handling, and collections framework.
- Collaborated on Java-based projects, writing clean code and fixing bugs.

CERTIFICATIONS

- SimpleLearn | Java Programming| Certification Code:8695307.
- Infosys Springboard | HTML5 101 | Certification on : January 17,2026.
- Arttifai Tech |Java Programming| Certification Code:ATB1D12C100.
- HackerRank| Java Programming| Certification on : May 26,2026.
- Attended National level workshop on “Tech Trek” – A Journey through Full stack development to industry mastery.

ACCOMPLISHMENTS

- Participated and Certificated in Technoverse Hackathon.
- Completed courses in Hyper Text Markup Language, Cascading Style Sheets.
- Completed 50-Days Problem Solving Challenge on LeetCode, earning a badge for consistent coding streak.
- Participated in Ey Techathon 6.0 Hackerthon conducted by Ernst & young Global limited.

ACTIVITIES AND HONORS

- Event coordinator – Blitzmac 2K26.
- Conducted several events under college levels .
- Participated and Awarded as a Best Paper Presentation about “ Chatgpt And Generative AI” conducted by Paper Arena.

EXTRACURRICULAR

- Secured First prize in College- Level kabaddi Tournament.
- Participated in inter-college kabaddi tournament, enhancing leadership and collaboration.

LANGUAGES KNOWN

- English
- Tamil
